*Por el Rocho de la Andrajas ...*

The image shows a large, rounded hillside covered in a mix of green shrubs and patches of exposed, light-colored rock. The rock formations are particularly prominent on the upper left and center of the hill. The sky above is a clear, pale blue with a few wispy white clouds.

*El Rocho del Búho.*

A scenic view of a turquoise lake surrounded by dense green foliage and trees. The water is clear and reflects the surrounding environment. In the foreground, there are tall, thin grasses and reeds. A large tree trunk is visible on the right side. The overall atmosphere is peaceful and natural.
